

Here's how it works: Families would pick and choose any variation of available offerings that they want and pay monthly online in advance. Each item is individually priced, including the 2 meals offered daily, plus add on's like french fries, applesauce, & fruit cups (see below). We will still order pizza on Fridays.

Pricing: Menu items will be offered a la carte so the price can range from 5.00 & up per day depending on what you choose. You can choose ANY or ALL of the daily offerings & additional items.
